

KVASER SOFTWARE LICENSE – SOFTWARE DRIVERS

This license statement ("**License**") constitutes a binding legal obligation between you (either as an individual or a single entity) and KVASER AB ("**KVASER**").

1 THE SOFTWARE

- 1.1 The KVASER software product provided ("**Software**") under this License is owned or licensed by KVASER or its suppliers and is protected by intellectual property laws including a number of granted patents held by KVASER. Therefore, you must treat the Software like any other material protected by intellectual property laws.
- 1.2 The Software may include source code and/or other files provided by a third party vendor ("**Third Party Software**"). Use of Third Party Software might be subject to license restrictions imposed by the third party vendor and you should refer to the on-line documentation (if any) provided with Third Party Software for any license restrictions imposed by the third party vendor.
- 1.3 The Software may include certain files ("**Redistributables**") intended for distribution by you to the users of programs you create. Redistributables include, for example, those files identified in the accompanying printed or on-line documentation as redistributable files. In any event, the Redistributables for the Software are only those files specifically designated as such by KVASER. From time to time, KVASER may designate other files as Redistributables. You should refer to the documentation, including any "Readme" or "Redistributables" files included with the Software, for additional information. All KVASER libraries, source code, Redistributables and other files remain KVASER's exclusive property. Regardless of any modifications that you make, you may not distribute any files (particularly KVASER source code and other non- executable files) except those that KVASER has expressly designated as Redistributables.

2 THE LICENSE

- 2.1 As agreed with KVASER and upon the conditions of this License you may
 - (i) *reproduce and distribute* exact copies of the Redistributables. Copies of Redistributables may only be distributed with and for the sole purpose of executing application programs permitted under this statement that you have created using the Software. Under no circumstances may any copies of Redistributables be distributed separately.
 - (ii) *create your own* compiled programs and distribute your programs and the Redistributables (if any) subject to all of the following conditions:
 - (a) all copies of the programs you create must bear a valid copyright notice, either your own or the KVASER copyright notice that appears on the Software;

- (b) you may not remove or alter any KVASER copyright, trademark or other proprietary rights notice contained in any portion of KVASER libraries, source code, Redistributables or other files that bear such notice;
- (c) KVASER provides no warranty at all to any person, other than the limited warranty provided to the original purchaser of the Software, and you will remain solely responsible to anyone receiving your programs for support, service, upgrades, or technical or other assistance, and such recipients will have no right to contact KVASER for such services or assistance;
- (d) you will indemnify and hold KVASER, its related companies and its suppliers, harmless from and against any claims or liabilities arising out of the use, reproduction or distribution of your programs;
- (e) your programs must add primary and substantial functionality, and may not be merely a set or subset of any of the libraries (including runtime libraries), code, Redistributables or other files of the Software;
- (f) you may not use KVASER's or any of its suppliers' names, logos, or trademarks to market your programs, except to state that your program was written using the Software;
- (g) you may not use KVASER's software drivers in combination with any third party (or your own) hardware that emulates KVASER's hardware, without written consent from KVASER.

3 WARRANTY AND LIMITATION OF LIABILITY

- 3.1 Except with respect to the Redistributables, which are provided "*as is*," without warranty of any kind, KVASER warrants that the Software, as updated and when properly used, will perform substantially in accordance with the accompanying documentation, and the Software media will be free from any substantial defects in materials and workmanship, for a period of ninety (90) days from the date of receipt. Any implied warranties on the Software are limited to ninety (90) days.
- 3.2 KVASER's and its suppliers' entire liability and your exclusive remedy shall be, at KVASER's option, either (a) return of the price paid, or (b) repair or replacement of the Software that does not meet KVASER's limited warranty and which is returned to KVASER with a copy of your receipt. DO NOT RETURN ANY PRODUCT UNTIL YOU HAVE CALLED THE KVASER CUSTOMER SERVICE DEPARTMENT AND OBTAINED A RETURN AUTHORIZATION NUMBER. This warranty is void if failure of the Software has resulted from accident, abuse, or misapplication. Any replacement Software will be warranted for the remainder of the original warranty period or thirty (30) days, whichever is longer. Neither these remedies nor any product support services offered by KVASER are available without proof of purchase from an authorized source.
- 3.3 KVASER AND ITS SUPPLIERS DISCLAIM ALL WARRANTIES AND CONDITIONS, EITHER EXPRESS OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, TITLE, AND NON-

INFRINGEMENT. IN NO EVENT SHALL KVASER OR ITS SUPPLIERS BE LIABLE FOR ANY SPECIAL, INCIDENTAL, INDIRECT, OR CONSEQUENTIAL DAMAGES WHATSOEVER.

4 APPLICABLE LAW

- 4.1 The License shall be construed, interpreted and governed exclusively by the laws of SWEDEN.
